Product Description

STIHL RZ 152 Zero Turn Mower

Pursue the perfect cut with the STIHL RZ 152 zero-turn mower. With a commercial-grade 52" mowing deck, homeowners can cut a wider area in a single pass, and the 25 hp V-Twin Briggs & Stratton® engine gives users the power they need to get the job done. Enjoy the versatility to take on a range of terrain thanks to four-wheel suspension with adjustable rear shock absorbers. ReadyStart® technology allows for smooth starting with no choke pulling, while the Hydro-Gear® ZT-2800 transaxles enable 8 mph forward ground speed for smooth and efficient cutting.
